At BMI, our goal is to ensure a safe working environment for everyone, regardless of whether they work in one of our sites, installation sites or customer premises. We preserve and promote the physical and mental health of our employees. It is also our goal to protect the health of the community members within which we operate and our customers.

BMI also considers the long-term impact of its operations and products on the environment. Across our sites, we continually make operational improvements to build a sustainable platform for delivering the solutions which our customers require.

This Health, Safety, and Environment (HSE) Policy ("HSE Policy") serves as a framework for all our activities. **Managers** are responsible for creating a culture that drives our commitment to a safe working environment for everyone and to minimise our environmental impact. **Each employee** is responsible for adhering to this HSE policy and actively contributing to the achievement of our HSE objectives.

In BMI, we apply the four principles below:

### 1. COMMITMENTS & COMPLIANCE

- We are committed to comply with all applicable laws, regulations, and relevant industry standards, related to health, safety, and environmental protection.
- We demonstrate our commitment to continuously improve the design of our HSE strategy by engaging and collaborating with our different stakeholders and especially customers to meet their expectations.
- We regularly review and update our HSE policies and procedures to ensure ongoing compliance with legal and regulatory requirements.
- We demonstrate our commitment to the protection of the environment, including prevention of pollution and other specific commitment(s) relevant to the context of our organization;

### 2. MANAGEMENT OF RISKS AND ENVIRONMENTAL IMPACTS

- We regularly conduct comprehensive HSE risk assessments across all BMI locations, to support accident prevention and reduce environmental impact.
- We implement controls to mitigate and manage HSE risks and impacts.
- We provide appropriate training to equip our employees and contractors to effectively identify and mitigate risks and environmental impacts.

### 3. CONTINUOUS IMPROVEMENT

- We are committed to the continual improvement of the environmental management system to enhance our environmental performance.
- We are committed to continuously updating our risk assessment and learning from HSE events.
- We have set measurable objectives and targets to drive progress in reducing accidents and incidents.
- We aim to minimize our climate impact by optimising our processes and enhancing circularity through a life cycle approach.
- Our commitment includes regularly monitoring and evaluating our HSE performance, identifying areas for improvement, and taking prompt corrective actions

### 4. EMPLOYEE'S PARTICIPATION

- We value and encourage the active participation of all employees in HSE matters.
- We also encourage open communication, consultation, and collaboration to increase awareness on environmental topics and foster a culture of safety and well-being

Together, we can all help BMI make a positive impact on the lives of everyone we touch, on the future of our Planet, and long-term profitable growth for our shareholders and our customers.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, BMI Group (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact BMI Group:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
